

Application Process Summer 2023

Key Points for 2023 . . .

- Unfortunately, Covid setbacks these recent years have eliminated the Institute's financial aid resources. We HAVE, however, been able to keep prices quite low. Donors heavily subsidize this low Program Fee.
- We do NOT anticipate any further Covid-related restrictions for travel to/from France in 2023.

Key Dates for 2023 . . .

By 31 January: Email or Postmark deadline for “Early Application” period. Full Application Packets (see *Master Checklist* under the “Apply Now” button) received prior to 31 January are processed prior to those received during the “Regular” application period. “Early” applicants who enroll also receive a 25-euro credit in the Institute's café bar.

By 15 March: Email or Postmark deadline for “Regular” Application period. A complete application must include all application materials and deposit as listed on the *Master Checklist* in the “Apply Now” section of the website. Applications completed AFTER this deadline are subject to a modest “Last Minute” fee.

By 15 April: If accepted into Chez Vous, you will receive an Acceptance Packet email containing...

- Program reservation confirmation
- Trip and Packing information
- Contact and Coordinate information in France
- Invoice for Final Payments, including any Supplemental Services you have selected.

When your Final Payment is received, we will send to you immediately a Travel Packet email containing...

- Flight E-ticket and itinerary
- Instructions for arrival and pickup in France
- Emergency contact info to use during your trip

Submission Addresses

For Mailing: Jacques Lefevre Institute, PO Box 448, Wheaton, IL 60187

For Emailing: bonjour@chezvousnormandy.org.

Items can be submitted to either of the above addresses, or even split between them. Just be sure that your name is on each item! (For printed photos mailed to Wheaton, write your name on the back of each photo.)
